NEWSLETTER No.143 – May 2016

Housing Proposals on New Road P15/S3228/O

We now expect SODC's Planning Committee to consider the Grainger application at its meeting on Wednesday 18th May - if the paperwork is ready in time. Your Parish and District Councillors will be speaking against the proposal and members of the public will also get a TOTAL of 5 minutes to speak. We suggest that this time is best allocated to Mind The Green Gap who are well placed to represent us. This is a public meeting and we hope as many people as possible will attend to show their opposition.

Please watch the MtGG website for latest news www.mindthegreengap.org

Neighbourhood Plan Launch Meeting 6th May

What do you consider important for our village and what do you want for the future? You should all by now have received a leaflet through your door about this meeting.

Please come along or comment via info@easthagbourneplan.net

The Future of our Bus Services

Thank you to everyone who filled in the questionnaire on our bus service. These will be discussed with Thames Travel along with those from neighbouring villages. We are hopeful that some commercial service will continue on the 94/95 route after the the current contract ends on 20th July 2016. We have costs for continuing the 131 service to Wallingford on Fridays and believe we can fund it locally.

As noted last month, service 92 (from Green Close) should not be affected.

Please see the notice elsewhere in this issue for more information.

Thank you to the rather small group who attended the APM Thursday 14th April. We heard presentations from Parish, District and County Councils, the Pavilion Committee, the Neighbourhood Plan and Mind The Green Gap.
