### SPORTS & COMMUNITY PAVILION UPDATE

The wet winter weather has made life very difficult for builders; nevertheless we expect that work on our new Pavilion at Great Mead will start around the end of March with a completion date in Mid October. The first step will be to fence off the building site and protect the trees in readiness for demolition of the old building. The remainder of the recreation ground, including the children's' play area will remain open through the building work, however please be aware of traffic if you are walking along Great Mead. If you are interested in using the new pavilion or can help in any way with the organisation **please contact the Parish Clerk or any Councillor**

### THE FUTURE OF MILLBROOK

Last month we reported that SODC had considered the proposals for the future of Millbrook and would carry out another survey of resident views. We are disappointed that so far the results of last year's survey have not so far been taken into account, but **THIS IS NOT THE END OF THE PROCESS** All Millbrook residents should have received a letter from SODC inviting comments - **PLEASE SEND IN YOUR COMMENTS TO SODC.** A copy of the letter is on the web site along with background information. You can also **COME TO THE ANNUAL PARISH MEETING** and put your views directly to Mr Buckle.

### ANNUAL PARISH MEETING

**The Annual Parish Meeting will be held on 10 April at 7.30pm in the Village Hall** - This is YOUR meeting, so please come along and hear what the Parish Council has been doing on your behalf and meet Mr David Buckle, Chief Executive of SODC who will be happy to answer your questions.

If you have any issue you would like to raise please advise the Clerk or raise it at the meeting. Minutes of the previous meeting are published at

[www.EastHagbourne.net](http://www.EastHagbourne.net)

### OVERHANGING TREES AND BUSHES IN SPRING

Spring is in the air and everything is growing again. If you have a garden near a footpath or road, please keep your trees and bushes trimmed back so as not to impede traffic or pedestrians. Overhanging branches can at best be annoying and at worse can cause injury or force pedestrians, particularly those with prams etc, onto the road.

**Please do your bit to keep the village paths safe and tidy.**

### PARISH LITTER BLITZ – 3 MAY

The Parish Litter Blitz will take place on 3 May and we hope that you can spare a couple of hours to help give the Parish a Spring Clean. The event starts at the Village Hall at 10am: equipment and will be provided
