Greenlight Developments

The Greenlight Developments Planning Application is still in progress. The Parish Council has formally objected to the application and our response can be seen on the SODC website. This will go to committee in September or October.

New Road Update

The judicial review High Court hearing has been delayed from 21/8 to 31/10. We will keep you updated as to when we will have a more definitive resolution to the Grainger application on the Green Gap land.

Neighbourhood Plan Progress

A draft of the Neighbourhood Plan has been prepared. Under the guidance of SODC, the Steering Committee are now considering an evaluation of potential development sites in the parish for possible allocation before going to consultation. A public meeting will be held on 14 September at 7:30pm in the East Hagbourne Pavilion to report on progress and discuss next steps.

Unauthorised Dumping of Foliage

The Parish Council recently learned cut tree branches had been dumped by the bridge in the Orchard Footpath from The Croft to the garage. Please be alert and report any authorised dumping to the Parish Council.

Broadband Speeds

Most of the village should have access to high-speed broadband except for those furthest from the fibre optic box at Lower Cross. We would like to know how many houses cannot access high-speed broadband. If this applies to you, please contact the clerk.
