Transport Update

Thames Travel has advised that the 94/94A bus has not proved profitable and may have to end in August. They are looking at alternative options and your bus representatives are following developments closely.

More information next month.

New Road Update

Grainger has made its move. One day before the deadline was up it launched a legal challenge against the appeal verdict. Our input will be in the background rather than centre stage. We have sought legal advice and will provide help and support wherever it is needed. We do know for sure that whatever the outcome of this process it is vital that a strong and well supported East Hagbourne Neighbourhood Plan is in place as soon as possible. The Steering Group have been working hard on drafting the plan as you can see below.

Neighbourhood Plan Progress

There was a public meeting held on Thursday 18th May when an outline of our Neighbourhood Plan was presented. SODC have given us good guidance on how to formulate the policies and we hope to have a full draft available by the end of the month.
