The council would like to welcome Laura Lloyd as its new Parish Clerk and to thank Allison Leigh for her good service over the last two years..

Laura will take on the role the 1<sup>st</sup> January 2019.

### Let's Make Our Village Sparkle!

We on the Parish Council are very aware of the many people who contribute to keeping our parish looking good, by picking litter, cutting grass and generally looking after their own gardens and frontage as well as wider afield, including our allotments, footpaths and public spaces.

However, some areas are looking a little worn and we feel it is time to give the village a sensitive make-over to keep it looking 51good into the future. Key elements to address are: those areas of pavements and roadways that are worn, tackling debris and weeds in road gutters, and keeping road drains and the stream clear and flowing. During 2019 we will be giving thought to what we can do as villagers ourselves, and what additional resources we can bring to bear with the help of OCC and SODC. We can all be part of this effort, but we would welcome people to be more closely involved - please contact the Clerk or any Councillor if you are interested.

### Neighbourhood Plan

The consultation period on our Neighbourhood Plan ends on 4th January 2019. The Examiner has already started reviewing the Plan and has sent some clarification questions to which we have responded. The Examiner will consider all the comments received and hopefully be in a position to make his report around the end of the month.
