Neighbourhood Plan nearing Referendum

The Examiner appointed by SODC has reviewed our Plan and the representations made during the consultation which ended on 4th January. He made a number of recommendations for changes before the Plan goes to a Referendum of local residents which we expect to be on 14th March 2019. This will be organised by SODC and will follow the same procedures as an election - watch out for information from SODC early in February.

Let's Make Our Village Sparkle!

We on the Parish Council are very aware of the many people who contribute to keeping our parish looking good, by picking litter, cutting grass and generally looking after their own gardens and frontage as well as wider afield, including our allotments, footpaths and public spaces. However, some areas are looking a little worn and we feel it is time to give the village a sensitive make-over to keep it looking good into the future. Key elements to address are: those areas of pavements and roadways that are worn, tackling debris and weeds in road gutters, and keeping road drains and the stream clear and flowing. During 2019 we will be giving thought to what we can do as villagers ourselves, and what additional resources we can bring to bear with the help of OCC and SODC. We can all be part of this effort, but we would welcome people to be more closely involved - please contact the Clerk or any Councillor if you are interested.

Parish Council Chairman's Surgery

The next Parish Council Chairman's surgery will be on **Tuesday 12th February** from 12.00 - 13.30 in the meeting room of Hagbourne Village Hall.

Dog Waste Bins

In response to the ongoing concerns regarding dog mess, we are reviewing the dog waste bins in the village and hope to make a decision regarding the locations of new bins at the February Parish Council meeting.

Defibrillator Training

The village defibrillator is located outside the Village Shop. In an emergency, call 999 – they will give you the access code. Following two successful training sessions we are now planning to offer a further training session in the near future. Please contact the Clerk to register your interest.

The following planning applications have been received since the last meeting:

P18/S3598/HH – 4 Fieldside, East Hagbourne (2 revisions)

P18/S4168/N4B – Black Barn, Cherry Tree Farm, Great Mead, East Hagbourne – change of use
