Incident at Upper Cross

As many of you are aware, there was an unfortunate incident on 24th May which resulted in damage to the Upper Cross memorial. Thank you to those who contacted the Parish Council with information. The incident was reported and we are working with relevant insurers to hopefully resolve the issue and carry out repairs in the near future.

Speed Surveys in the Village

An issue that is often discussed at Parish Council meetings and throughout the village is road safety and speed limits. In light of this, we are intending to carry out speed surveys at locations in the village over the next couple of months, to ascertain whether Main Road may be suitable for a 20mph speed limit. Further updates on this will be posted on the website and Facebook.

Parish Council Chairman's Surgery

The next Parish Council Chairman's surgery will be on **Tuesday 23rd July from 10.00am – 12.00pm** in the meeting room of Hagbourne Village Hall.

Deep Clean

For the three-day period **15-17 July**, South Oxfordshire District Council will be conducting a Deep Clean of East Hagbourne, to include litter picking, sweeping and removing weeds/moss on pavements on land owned by the district council. To complement this, it would be wonderful if all residents could continue to ensure their own verges and hedges are maintained, in particular ensuring that access along footpaths is unobstructed in the summer months. We thank you in advance for doing your bit to keep the village tidy.

Bench Refurbishment Volunteers Needed

We have a large number of well-used benches in and around the village. In the interests of sprucing up the village we are hoping to repaint or refurbish some of the more visible ones over the summer. If you could spare a couple of hours to join our 'refurbishment team', please email either Carolyn on casatadley@hotmail.co.uk or email the Clerk.

New Defibrillator at the Village Hall

The Parish Council has been working to obtain a grant to fund a second Defibrillator to be located outside Hagbourne Village Hall. The purchase of the defibrillator has now been approved and installation will be completed in the near future.

The village defibrillator is located outside the Village Shop.
In an emergency, call 999 – they will give you the access code.

The following planning applications have been received since the last meeting:

P19/S1607/LB Parsonage Farm House, 7 Main Road, East Hagbourne – Repairs to roof, roof timbers and internal finishes. No extension or demolition.

The next Parish Council Meeting will be: Thursday 25th July 2019 at East Hagbourne Pavilion.

All Council meetings are open to the public and we welcome your participation.

Agendas and Minutes of previous meetings are published at www.easthagbourne.net

Football in East Hagbourne

Hagbourne United Football Club are looking for new players to play in the North Berks league divisions 4 & 5. The Club currently fields two men's teams for age 16+, but will be pleased to hear from players of all ages and abilities. Contact Trevor Davies at trevor.davies500@ntlworld.com or tel 07505 991 688
