**Community Speedwatch**

Following a meeting with a local PCSO, East Hagbourne Parish is now planning to make use of the speed survey equipment available from Thames Valley Police. In order to do this, a bank of volunteers are needed to help carry out the surveys, which are planned for New Road and Blewbury Road. The equipment will be available to the Parish for a month and it is important that we make the most of this opportunity! There is a separate magazine article on this authored by Roger Bartlett who has volunteered to oversee this initiative.

**Parish Council Email Circulation**

The Parish Council is keen to provide residents with information relevant to the Parish and in a bid to broaden our methods of communication, we are asking residents who are interested to join to an email contact list. Please get in touch with the clerk in the first instance, who will send you the link to subscribe.

**Parish Council Chairman's Surgery**

The next Parish Council Chairman's surgery will be from **10.00 – 11.30am on Tuesday 10<sup>th</sup> September** in the meeting room of Hagbourne Village Hall.

**Benches**

Two very attractive benches have now been installed at the top of Harwood Road and by the Crescent on New Road. Plans are afoot for the refurbishment of older benches.

**Village Tidiness**

In this season of rapid weed growth, keeping the village tidy is a major challenge. We thank the many people who have trimmed hedges and cleared weeds from the roadside gutters and encourage others to spend the few minutes needed to tidy the verges adjacent to their properties.

**New Defibrillator at the Village Hall**

In conjunction with the imminent installation of the new defibrillator, additional training sessions will be arranged in the near future.

The village defibrillator is located outside the Village Shop. In an emergency, call 999 – they will give you the access code.

The following planning applications have been received since the last meeting:

- P19/S2028/O 26 New Road, East Hagbourne – New Single storey dwelling in garden of existing house
- P19/S1940/HH 34 Main Road, East Hagbourne – Retrospective planning application for a new summerhouse
