Community Speedwatch

More volunteers are urgently needed to ensure that the monitoring can be carried out in the village when the equipment becomes available to the Parish. This initiative will provide valuable information regarding traffic and vehicle speeds which are an ongoing concern. Please contact Roger Bartlett via email rogerdavidb@outlook.com or call 07595 747644.

Electric Blanket Testing

As autumn approaches and temperatures fall, residents might think about getting out their electric blankets. Oxfordshire County Council Trading Standards and Fire & Rescue Service are offering free electric blanket tests. Safety test sessions take place in different locations around Oxfordshire and appointments need to be pre-booked by calling 01865 895999 or email communityengagement@oxfordshire.gov.uk. There is a session in Abingdon on Friday 11th October at Abingdon Fire Station, Ock Street, Abingdon, OX14 5DH.

Parish Council Chairman's Surgery

The next Parish Council Chairman's surgery will be from **10 - 1130am on Tuesday 8th October** in the meeting room of Hagbourne Village Hall.

Car Parking in the Village

An offer from MacTaggart and Mickel to extend the Parish Council car parking next to the village hall by 20 spaces was accepted at the September Parish Council meeting, which we are sure will be a benefit to the community as traffic volumes and visitor numbers continue to increase. On-street parking is part and parcel of living in the village. We are lucky that the vast majority of residents and visitors ensure that they park considerately and safely, as on-street parking is not restricted or allocated to particular residences, but please be mindful that driveway access and junctions must be kept clear at all times.

New Defibrillator at the Village Hall

We are pleased to confirm that the new defibrillator is now in situ at the village hall. Additional training sessions are to be arranged. Please contact the clerk if you would like to attend one of these free sessions run by South Central Ambulance Service.

The village defibrillators are available 24/7 at the following locations:
Outside the Village Shop
Outside Hagbourne Village Hall.
In an emergency, call 999 – they will give you the access code.

The following planning applications have been received since the last meeting:

P19/S2550/HH 3 Kingsholme Close, East Hagbourne - Removal of conservatory and brick store, build single storey extension

P19/S2777/FUL Ridgewood, Great Mead, East Hagbourne – Agricultural barn (sheep and storage)

The next Parish Council Meeting will be: Thursday 10th October 2019 at East Hagbourne Pavilion.

All Council meetings are open to the public and we welcome your participation.

Agendas and Minutes of previous meetings are published at www.easthagbourne.net
