New Year Wishes

The councillors and clerk would like to take this opportunity to wish all residents a Happy New Year. We are always happy to hear your views on the parish and how we can continue to keep our wonderful village community happy. Please contact the clerk in the first instance, using the contact details above.

Volunteer Request

We would also like to take this opportunity to thank the dedicated volunteers who give their time to the various committees and groups in the parish.

There is always a need for additional volunteers to share the workload so please do get in touch with the clerk to discuss your interests and how you could contribute to the volunteer network!

In particular, if you have a little time each month and are confident with finances, East Hagbourne Sport and Recreation Committee (who are responsible for the Pavilion and recreation ground) are looking for help with their Treasurer role.

Parish Council Car Park

Prior to the commencement of the new housing development, the councillors have agreed guidelines for usage of the car park next to the village hall, in a bid to discourage less favourable habits including misuse of or blocking access to the disabled parking bays, and antisocial behaviour. The guidelines are now published on www.easthagbourne.net.

Parish Council Chairman's Surgery

The next Parish Council Chairman's surgery will be from **10 – 11.30am on Tuesday 21st January** in the meeting room of Hagbourne Village Hall.

Defibrillators

The New Year is an excellent time to consider gaining a new life skill – if you are interested in signing up for a defibrillator training course please get in touch with the clerk to be added to the waiting list. The training covers a lot of useful information to help you recognise and deal with emergency situations effectively, including how to give CPR. Knowing what to do in an emergency could be the key to saving someone's life so please consider this free training opportunity seriously.

The village defibrillators are available 24/7 at the following locations:
Outside the Village Shop
Outside Hagbourne Village Hall
In an emergency, call 999 – they will give you the access code.

The following planning applications have been received since the last meeting:
P19/S4177/PDH 12A The Croft, East Hagbourne – Replacing conservatory with single storey part-glazed extension.
P19/S4032/HH 112 New Road, East Hagbourne – Changes to the roof line of existing property; formation of new entrance from New Road.

The next Parish Council Meeting will be: Thursday 16th January 2020 at East Hagbourne Pavilion.

All Council meetings are open to the public and we welcome your participation.

Agendas and Minutes of previous meetings are published at www.easthagbourne.net
