PLANNING APPLICATION NOTIFICATIONS

It has come to the Parish Council's attention in recent weeks that the postal service disruption has led to a number of planning notification letters not reaching the intended recipients in reasonable timeframes.

The Parish Council receive notification of all planning applications in the parish via email and as a result, all residents on consultation lists are visited in person to discuss any concerns ahead of the Parish Council submitting their response. In the current situation this has been particularly beneficial to ensure that everyone is aware of the planning applications within the consultation timeframe.

The postal delays have been reported as a concern to the planning department, who have recommended that residents sign up to their planning alert email register using the link below:
