TOWER TALK Ringing practices are going well and we usually get a good turn out on a Tuesday night of both our beginners and our more experienced ringers so we have a good mix. Some of the group meet at The Fleur following the ringing for a chat and catch up. Things seem to be getting back to some sort of normality but we are still being careful.

The bells are rung for Evensong twice a month and alternately for Morning Service twice a month. We will ring the bells for Morning Service on Sunday 17th April for Easter Sunday.

The tower AGM took place on Tuesday 22nd February.

FAIRTRADE FORTNIGHT 21st February to 6th March

The two weeks of Fairtrade Fortnight 2022 are a chance for us to come together to celebrate the people in developing countries who grow our food, but who are often underpaid and exploited.

Choosing Fairtrade is one important decision UK shoppers can make to stand with farmers and workers on the frontline of the climate crisis. Fairtrade works with farmers to strengthen environmental and climate protection, to provide resources, training and knowledge so they can face climate challenges right now. We might pay a few pennies more for a product, but this small amount can make a big difference to the communities of farmers.

Now and all year long—Choose Fairtrade!

Hagbourne C of E Primary School - Foundation Governor Vacancy

We are looking for a Foundation Governor to join our governing board at the Hagbourne C of E Primary School. All governors in a Church of England school are responsible for ensuring a high standard of achievement for all children and young people in the school by:

- setting the school's Christian vision, ethos, and strategic direction
- holding the headteacher to account for the flourishing and educational performance of the school and its pupils
- overseeing the financial performance of the school and making sure its money is well spent

However, Foundation Governors are also valuable and important to the ministry of the Church, providing the links between the parish, school and diocese and have a specific legal obligation to promote the Christian character of the school and ensure nothing is done to weaken or undermine it.

We welcome applicants for this significant role to join our friendly and welcoming board of Governors. The school is a wonderfully caring and supportive environment for its pupils. It is an exciting time to join us as we support the school with its strategic direction over the coming years.

For an informal discussion about the role please contact Jemma Dyson on

Jdyson@hagbourne.oxon.sch.uk.

With Sympathy We send our heartfelt sympathies to all the family and friends of Brenda Dew who passed away at the John Radcliffe Hospital on the 29th of January aged 86. Brenda and her late husband Douglas lived for many years in East Hagbourne. The Funeral Service took place at the South Oxfordshire Crematorium, Garford, on 23rd February.

It will be lovely if we follow the usual tradition of bringing posies along beforehand, to be handed out to all the mothers, grandmothers etc . . .With many thanks, Helen Clayson

Lent Courses:

- + **Caring for Creation (York Course)**. A course in 5 sessions. The human race is facing its greatest challenge: global warming, leading to climate change. Many of us who care about this issue are sometimes understandably quite pessimistic about the future. That's where faith in God should make a difference. Listen to eminent speakers, discuss difficult questions, reflect on God's Word. First session on 4th March, 10.45 for 11am start at Penridge, Church Road, Blewbury. Please register with Elaine in the Office on 01235 - 850267 or office@churnchurches.co.uk
- + **Take the 40 Day Lent challenge! Live Lent: Embracing Justice** invites us to examine our own lives truthfully, to see the world more deeply and to pray – for the church and the world far and near – that 'justice may roll down like waters, and righteousness like an ever-flowing stream' (Amos 4.24). The adults' booklet offers a daily Bible reading, a short reflection and a prayer, as well as a practical challenge for each week of Lent. The kids' booklet provides a fun daily action to help children and their families explore how we can live well together, as well as a weekly reading and prayer. Order your booklets from Elaine in the Office.
- + **USPG Lent course: Living Stones, Living Hope** Our Ecumenical Lent Group will be meeting with the Revd Josie Midwinter, at Jenny Loder's house, 75 Loyd Road, Didcot, from Friday, 4th March to Friday 1st April (except for Friday 11th March.) We will be following the **USPG Lent course: Living Stones, Living Hope** exploring contextual theology from the churches in Zambia and Korea, Liberation theology from Latin America, Celtic Spirituality from Ireland, and Dalit Theology from North India. To book please ring Tel 01235 510199.

We have received the following letter from Asylum Welcome regarding the donation made to them from monies raised at our Christmas Tree Festival. They were very happy to receive the donation and say that it will make a difference to the important work that they do.

Dear Helen, Alice, and the Hagbourne Christmas Tree Festival Committee,

Thank you so much for the absolutely incredible donation, raised through the 2021 Hagbourne Christmas Tree Festival. I can confirm that the funds have been received. We are so overwhelmed by the support of the East Hagbourne community, and this amazing donation will make such a difference to our work.

We remain exceptionally busy at Asylum Welcome. The pandemic continues to have a vast impact on our clients, and we are seeing more complex cases and urgent needs. Meanwhile, we continue to provide intensive support to around 130 recently arrived Afghan refugees, housed in a local hotel. This wraparound support has included initial support with items and urgent needs, as well as English language tuition, support with education and employment, and help to settle the children into school.

We are developing our services in response to need. We recently started a new resettlement project to resettle up to 18 families, many from Afghanistan and Syria. Our immigration work is also being bolstered with the appointment of a new full-time immigration advisor. Work is underway to become more refugee led and we are pleased to have recruited several people with lived experience including our new fundraising assistant who was a client and then a volunteer, and who is now a paid member of staff! One new arrival from Afghanistan described our support as follows, "...they welcomed us like a brother and sister, a very warm welcome... it makes me feel like we live in a castle with all the family... they support us with everything we need, and I am really thankful... My first goal is that I would like to be a bus driver."

Thank you again from all of us at Asylum Welcome. We appreciate you all so much!

Yours sincerely, Rosia Curtis, Fundraiser

Spring Clean at St Andrew's – Saturday, 26th March – 10am

At the moment the state of the church is badly in need of some TLC. The vestry needs tidying up, the book cupboard is in a bit of a mess as is the children's corner, the floor in front of the altar needs a really good clean and I am sure that you can think of lots of other areas that need attention - cleaning cupboard, flower arrangers cupboards etc, etc. . .

So.....with this in mind - I propose that we make a start on Saturday 26th March at 10 o'clock. I believe the Mothers' Union are providing Soup Lunches that day so you can reward yourself with a lovely lunch after all your hard work.

If you feel that you can help out - if only for a short time it would be very much appreciated. Please contact me if you need more information.

HUGS – SPRING GARDENING

Hagbournes and Upton Group for Sustainability

This is the time of year we start to get outside and think about gardening. Spare a thought for wildlife though!

The wilder side of beauty – hold off tidying your borders and flower beds until the last frosts (often in April). That makes a huge difference to insects, birds as well as other wildlife in your garden. You're leaving habitat, food and nesting materials for a host of different wildlife!

Early flowers in your lawn – crocus and daffs are now following on from snowdrops. Scientists are saying that daffodils at Easter may now be a thing of the past as climate change means long established flowering times are altered. Early wildflowers are vital for pollinators emerging early in the season. Queen bumble bees have been active in some gardens on and off from February. Leaving your lawn uncut and allowing daffodils to flower will be a life saver for these bees as well as other pollinators.

Now's the time to plan your planting - will you plant some super-friendly pollinator plants this year? Will you plan a wildlife pond? How about a mini-makeover for an unloved corner of the garden to bring more wildlife in? Have a look at our [wildlife gardening page](#) for more ideas!

Be an early adopter – peat will be banned from 2024, help by going peat-free now to help save the unique environments that peat is extracted from. All of our local garden centres stock it – get in early to buy the supplies you need now for the gardening year!

LOCAL CONSERVATION

Monthly work parties – fancy being out in the great outdoors and getting stuck into a conservation task? We're now beginning regular work parties on the first Saturday morning of each month. Drop us an email at hugsustainability@gmail.com if you'd like to join us!

Hagbourne Bowling Club "Big Bowls Weekend" – 27th to 29th May

If you liked curling, you'll LOVE bowls! All that sweeping and shouting was all very exciting, and it made you want to give it a go, didn't it? However, flat ice and granite stones are hard to come by around here. Don't worry, the Commonwealth Games are coming to Birmingham this summer and will include **Lawn Bowls** played to the highest degree.

What's that got to do with curling? Bowling has many of the same elements as curling, ballistic skill, tactical judgement, a bit of luck and of course, cut-throat competition. However, unlike curling it's much, much easier to give it a go yourself.

Did you know that Hagbourne has a wonderful bowling green and a friendly group of folks who are equally happy to let you try bowling. It's free and all you need is a pair of flat shoes.

But be warned; don't be surprised if you get hooked.

It's easy to get started in bowls and if you want to carry on, you'll soon be able to play your part in a friendly game against other local teams. Most of all, it's a lovely way to socialise in the summer sun whilst also putting some steps on the Fitbit.

Want to try it? You couldn't have picked a better time. The **Big Bowls Weekend** is a national event that kicks off on Friday 27th of May and continues over the weekend of 28th and 29th. It's a golden opportunity for you, your friends and family to give bowls a go. There will be more details in the next Parish Mag and elsewhere but if you can't wait until May then our season starts in mid-April. You can head down to the club from six o'clock on any Monday evening. We're at the end of The Croft in East Hagbourne.

If you want to know more about Hagbourne Bowling Club then feel free to contact Jackie Nunn on 07502 373184 or email Doug Amos at douga_msn@live.com **Let's bowl!**

Comments from the East Hagbourne Parish Council Chairman

Annual Parish Meeting The 2020 and 2021 Annual Parish Meetings were cancelled because of the pandemic so, while recognizing that not everyone is yet comfortable with meeting indoors, we feel it is important to go ahead with the APM this year and so will hold it at 7.30pm on **31st March**. We will hold it in the church to enable more social distancing than in the pavilion. The main focus of the meeting will be to discuss village projects using as a background the list on the village webpages at URL: <https://easthagbourne.net/parish-council/projects/>

This could be even more pertinent than usual since we will have significant funding available for the village from the Community Infrastructure Levy (CIL) from the development by the Village Hall.

Other possible topics for the meeting will be the review of our Neighbourhood Plan and a discussion on possible wilding initiatives in the village.

A more detailed programme for the meeting will be posted on the village website, the village Facebook pages, the Parish Council email distribution, and notice boards in early March, but save the date now, as this is very much a village meeting and not a Parish Council meeting.

Housing Development by the Village Hall The name for this project is Deanfield Green and Deanfield will be hosting an open meeting on **Thursday 7th April** in the church to update everyone on their plans for this development of 74 houses on the field in Main Road opposite the school. Deanfield will be in the church with display boards from 3pm and a Q&A session will be chaired by our District Councillor, Jane Murphy, starting at 6.00pm.

Before then you may already see some activity on the site at the car park end. This is to enable the extra car parking spaces to be provided early on in recognition of the fact that street parking will be quasi-impossible when the building commences.

The S73 application (P21/S2893/FUL) principally on drainage has just been granted and planning decisions on the two remaining planning applications are expected shortly.

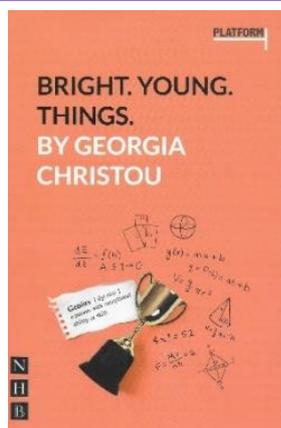

20mph speed limit As we have already publicised on the village website and Facebook, the consultation process for the establishment of a 20mph speed limit in the centre of the village has now begun and will run until 18 March. Comments can be posted on the website: https://letstalk.oxfordshire.gov.uk/easthagbourne_20mph202 or by letter to OCC. Assuming there are no adverse comments that cannot be answered easily or are significantly outweighed by positive comments, the signage should be installed in early May.

Parish meetings Parish Council meetings are held in the Pavilion on the Recreation Ground. Members of the public are welcome to join the meeting and the agenda is posted on village notice boards and the village web pages at least three clear days before the meeting. The next meeting will be held starting at 7.30pm on **Thursday 10th March**.

I am planning to restart my face-to-face surgeries in April assuming there are no unexpected developments on the COVID front, and I am very happy to talk on the telephone or online with any parishioner. You can get details of how to do this by phoning 07891 551851 or emailing the Parish Clerk (easthagbourneparishcouncil@gmail.com).

Let me remind you that this is not a formal or even approved article from the Parish Council but is rather a few words from me. Thus anything in this article should not be construed as coming from or endorsed by the Parish Council. Iain Duff

HAMS – Just over a week to go!

Bright. Young. Things. By Georgia Christou.

Alternately thought-provoking and laugh-out-loud funny, **Bright. Young. Things.** is a play about a group of young people struggling against the pressure to succeed in the manipulative adult world of television.

The good news is that there is still time to get your tickets for the performances on:

**Wednesday, 9th March, at 7.30 pm (Preview),
Friday, 11th March, at 7.30 pm,
Saturday, 12th March, at 2.30 pm and 7.30 pm.**

Tickets available from: Hagbourne Post Office,
Box Office- 01235 815 344 or vivstocks@aol.com,
www.wegottickets.com/hams.

Over the past few months the cast and crew of HAMS have had Covid safety at the forefront of our minds. All members have been required to take a lateral flow test before rehearsals in the village hall and if positive they had to self-isolate until clear.

The number of Omicron virus cases is now on a faster downward trend and the government has removed its legal Covid restrictions, but its Public Health and Medical advisors still recommend self-isolation, lateral flow testing and mask wearing in indoor gatherings.

We have done our bit to ensure that Omicron does not spread as a result of the performances. We do not have any understudies for our cast members, so the last thing we want is for one of them to catch Covid from the audience.

For everyone's benefit we would strongly recommend that you take a lateral flow test before you come to a performance and stay away if it is positive. You may wish to wear a mask yourself as it is believed that they do provide some protection.

You will enjoy greater elbow room in the revised layout for the audience in the hall, a bit like Shakespeare's Globe Theatre with a modern twist and exciting theatrical features. We look forward to seeing you.

DOWNLAND VILLAGES TRANSPORT GROUP

It is hoped to restart the Friday morning community minibus to Wallingford at the end of April, after Easter. This was a popular service before Covid required it to be cancelled. The bus starts at East Hagbourne at 10.15am then picks up passengers from Blewbury, the Astons, the Moretons and Brightwell, arriving in Wallingford at 11.15am. Friday is market day in Wallingford and the Church in the centre of town is open for refreshments and there are also W.I. stalls which sell plants and baking. Tickets cost £2 each way and you will need to register to use this service. Covid restrictions may need to be applied and mask wearing will probably be requested. The bus then returns from Wallingford at 1.15pm

If you would be interested in using the community bus, or know someone who would be interested, please could you let us know. Please contact: Joy on 01235 813145 or magtemp5@gmail.com

Hagbourne Baby and Toddler Group meets in St Andrew’s Church on Fridays in term-time from 9.45 to 11.15am. Children from birth to 5 years with their parent/grandparent/carer. £2.00 per family session – includes a healthy snack for children and hot drinks for adults. The group is a long-established friendly parent run group. We have a variety of toys including ride-ons, slide, dolls, toy cars, Duplo, baby toys mats and bouncers. Each session ends with singing with musical instruments. On occasions a craft activity is also offered. Our current children really enjoy their weekly play together (for some it is their only interaction with other children) and they look forward to Friday mornings and meeting their friends. If you have any questions please contact: hagbournetoddlers@hotmail.com

We hope to welcome you and your children too!

Hagbourne Bridge Club If you can play bridge but haven't done so for a while – give us a go! If you have never learnt to play bridge but would like to give it a try – why not come and see us? Whatever the reason we will be glad to meet you. We meet every Thursday in the Village Hall at 7.30pm. We have a break around 8.30pm for light refreshments and usually finish playing cards by 10pm. It will cost you £3 – a small sum for a night out! We have started again in the New Year and look forward to seeing you. We are: Jill Garlick – 07873431144 hjgarlick@gmail.com and Shirley Goss – 815608 shirley.goss@btinternet.com

Didcot Farmers Market The next Farmers Market will be setting up stalls in the Orchard Centre at Didcot on **Saturday, 12th March from 08:30 – 13:30**. Seasonal fruit, vegetables, fresh meat, fish and cheeses, bread, cakes, jams and preserves all from our local area.

Didcot and District U3A is now meeting again and offers the opportunity to share your knowledge and experience and talents with others and learn from them in friendly surroundings. Why not come along to the next meeting on **15th March** at 2.30pm at Didcot Civic Hall for a talk called **The importance of regular eye tests to keep you healthy – it's not just about testing your eyes** by Andela Garcia. Visit TVNEvents to find the Didcot website.

Astronomy Notes This month we have an image produced from photons gathered in January of "The Cone Nebula", also known as "The Madonna and Child". A huge dark cloud of gas and dust, obscuring a large star forming region of sky, producing the cloud with a silver lining effect.

Sitting in the constellation of Monoceros (the unicorn) to the left of Orion, it lies at a distance of 2,700 light years, and is approx. seven light years in length. It was discovered in 1785 by the great William Herschel, one of my astronomical heroes. He made his own telescopes, which he used to great effect, and went on to discover the planet Uranus. A man after my own heart, as I have made several telescopes in my time, but I very much doubt that I will be discovering a new planet!

Wednesday Church – a very special church

Wednesday Church is a very special church and it's for adults with learning difficulties. It was set up 11 years ago by some very determined ladies who had experience of working with this group of people within the church and realised how difficult it was for them to understand just what was going on. Wednesday Church was born, **it happens on the first Wednesday of every month at St Peter's Church, Newlands Avenue in Didcot. We are open from 10am and are waiting armed with tea and coffee and a very warm welcome.**

A church service uniquely caters for our very special congregation. It starts with tea and coffee and biscuits and sometimes cake. This gives us the opportunity to talk to our friends and arrange activities for them that fits in with the Service to help them understand what we are going to be doing. The Service itself is written specifically for this group and the language used is much simplified and run at a slower pace. We have a PowerPoint presentation with lots of pictures and the words for our hymns are in a large font and easily read. We have someone who is able to 'sign' the hymns using Makaton to enable non speakers to sign along, and to aid understanding for those who cannot hear. The best part of our Service is that it is interactive and the congregation very much part of what is happening. Our prayers are simple following our mantra of 'sorry, thank you, and please.' As the congregation call out the things they are thankful for, the rest of the congregation follow that with a hearty "Amen".
