PARKING AND FOOTWAYS IN THE PARISH

A number of concerns have been raised recently relating to both parking and footway accessibility in the village. Hopefully the information below will benefit everyone moving forward.

The car park next to the village hall is owned and managed by the Parish Council.

Please click [here](#) to view the Car Park Management document on the village website, which covers the car park terms of use. The car park is for the general use of the community, including church, village hall, school, and village events, but not for residential or overnight parking. Vehicles left in the car park are monitored and may be reported to the district council as abandoned. Please do not use or block the disabled spaces which are used frequently by those with blue badges.

It is imperative when parking anywhere in the village that road markings, proximity to junctions and driveways, and the simple courtesy of not parking on footways (pavements) are observed.

Thank you to those who responded to the item in the July/August issue about keeping vegetation from footways. However, there are still some areas that could be improved - please remember that footways are used by pushchairs and mobility scooters, and some of us on foot may not be very agile. Pavements and footpaths are for people so please leave room for a double pushchair or a wheelchair to pass easily.

CHAIRMAN'S SURGERY – FRIDAY 27th SEPTEMBER

Iain Duff will be at the Fleur de Lys on Friday 27 September from 5.00 to 6.30pm to welcome any residents with concerns or queries relating to matters in the parish.
