**PLEASE KEEP OUR PATHS CLEAR – TRIM OVERGROWN VEGETATION**

Spring is finally here, and we welcome the appearance of flora and fauna alike. However, this is a timely request to please keep on top of your boundary responsibilities – regular attention makes it much easier to maintain.

Please ensure you are keeping weeds under control, and trim or tie back planting on your property boundaries regularly. This is particularly important if they are alongside a public footway, some of which are already narrow and really need the full available width to be kept clear. Keeping paths clear also helps prevent lasting damage to path surfaces. Thank you in advance for helping keep the village both beautiful and safely accessible.

Issues with footways (tarmac surfaces) should be reported here <https://www.fixmystreet.com/>

Issues relating to public rights of way (overgrown paths, fallen trees, damaged bridges etc.) should be reported on the county council's Countryside Access Map <https://publicrightsofway.oxfordshire.gov.uk/standardmap.aspx>
